IN SUMMARY

In December, Bhavyata Foundation supported to feed for livestock in Igatpuri during the extreme summer, fulfilling our commitment to community welfare. Our "Adopt an Anganwadi" projects in Ghatkopar West is completed, creating a learning-enabled environment for underprivileged children. Concurrently, The Foundation continues to impact rural Maharashtra(Palghar District) and urban Mumbai communities in early childhood education, impacting more than 268 children annually through adopted Anganwadis. Furthermore, the foundation provides access to quality education for 1583 underprivileged preschool children in BMC schools in Mumbai.

SAMVARDHAN

Breed Preservation

In alignment with the **sustainability principle**, our **goal** is to **guide villages** toward **economic self-sufficiency through agriculture & cottage industry**, providing training in **organic farming, breed preservation** & the principles of good governance. **Bhavyata Foundation** is dedicated to reinforcing breed preservation for the betterment of India's dairy industry.

DANGI BREEDS SURVIVAL

SAMVARDHAN, through its 'Sowing the Seeds' initiative, aids gopalaks in preserving indigenous breeds amid challenges posed by limited grazing pastures and inadequate feed resources.

FEED DISTRIBUTION

Amidst the scorching summer heat and scarce resources, we've stepped in to support cows in need by distributing 0.8 tons of dry nutritional fodder.

GOPALAKS SUPPORTED

10 Gopalaks and 260 bovines benefitted, resulting in increased milk production after consuming nutritional feed. The Gopalaks then process the milk into condensed form sold in the marketplace, providing livelihoods.

Project MAA (MATA AROGYA ABHIYAN)

Care for Pregnant Mothers

Pregnant women in **underprivileged** communities face a lack of proper **nutrition, healthcare, and support**, which can lead to complications during pregnancy and childbirth.

**30th
Dec**

**Kamraj Nagar,
Ghatkopar, Mumbai**

Bhavyata Foundation conducted a **MAA (Mata Arogya Abhiyan)** session at **Kamraj Nagar**, focusing on **maternal health and wellness**. The session offered detailed guidance on a balanced diet plan tailored for each trimester, ensuring essential nutrition for expectant mothers and their babies. Participants learned exercises for the neck, arms, shoulders, and legs to enhance flexibility and reduce discomfort during pregnancy. The session concluded with **Garbh Samvad meditation, fostering emotional and spiritual bonding with the unborn child, creating a calming and positive experience**. Nutritional kits were distributed to support healthy pregnancies and overall maternal well-being. We are also delighted to share the joyful news of the healthy **birth of a baby to Neha Dubey, born on 26th December 2024. Neha had attended one of our previous MAA sessions**, reflecting the positive impact of the program on maternal and infant health.
