MAA – Mata Arogya Abhiyan

Women who are malnourished at conception are unlikely to improve their nutritional status during pregnancy when their needs increase. It all comes down to the expecting mother's mental health and physical, emotional and spiritual well being. Adopt An Anganwadi

Bhavyata Foundation has taken on the massive challenge of developing educational change for schools and communities, notably in the field of early childhood care and education and has been operating 37 assigned Balwadis from the Brihanmumbai Municipal Corporation since 2018. Additionally Bhavyata Foundation has recently adopted 5 more Anganwadis. We wish to bring this revolution to 100 more anganwadis, especially in tribal belts to benefit rural Maharashtra.
