# IN SUMMARY

In **January**, **Bhavyata Foundation** supported **feeding livestock in Igatpuri** during the extreme summer, fulfilling our commitment to community welfare. Our **"Adopt an Anganwadi"** projects in **Ghatkopar West** are **completed**, creating a learning-enabled environment for underprivileged children. Additionally, we have adopted a new Anganwadi, further expanding our impact. Concurrently, the **Foundation continues to support rural Maharashtra** (Palghar District) and urban Mumbai communities in **early childhood education, benefiting over 268 children** annually through adopted Anganwadis. Furthermore, the **Foundation provides access to quality education for 1,583 underprivileged preschool children** in BMC schools in Mumbai.

## Breed Preservation

In alignment with the **sustainability principle**, our **goal** is to **guide villages** toward **economic self-sufficiency through agriculture & cottage industry**, providing training in **organic farming, breed preservation** & the principles of good governance. **Bhavyata Foundation** is dedicated to reinforcing breed preservation for the betterment of India's dairy industry.

### DANGI BREEDS SURVIVAL

SAMVARDHAN, through its 'Sowing the Seeds' initiative, aids gopalaks in preserving indigenous breeds amid challenges posed by limited grazing pastures and inadequate feed resources.

### FEED DISTRIBUTION

Amidst the scorching summer heat and scarce resources, we've stepped in to support cows in need by distributing 0.8 tons of dry nutritional fodder.

### GOPALAKS SUPPORTED

Bhavyata Foundation supported 10 Gopalaks in Igatpuri, benefiting 260 bovines with nutritional feed. Increased milk production enabled them to process and sell condensed milk, ensuring sustainable livelihoods and economic empowerment in the community.

# Project MAA (MATA AROGYA ABHIYAN)

## Care for Pregnant Mothers

**Pregnant** women in **underprivileged** communities face a lack of proper **nutrition**, **healthcare**, and **support**, which can lead to complications during pregnancy and childbirth.

**18th  
Jan**

**Kamraj Nagar,  
Ghatkopar, Mumbai**

In **January**, **Bhavyata Foundation** conducted an **MAA session** focused on **maternal well-being** and **prenatal education**. Mothers engaged in activities like naming their unborn child and forming positive sentences to strengthen their bond. They also learned about **grocery kits for balanced nutrition**. The session concluded with **interactions with new mothers** who shared their experiences with **Garbh Sanskar**, emphasizing its **emotional and spiritual benefits** in preparing for motherhood and fostering a nurturing environment for their child's growth and well-being.

### Welcoming NewBorns

1. **Neha Dubey** welcomed her first child, a baby boy named Aditya, on December 26 through a normal delivery at Rajawadi Hospital. Weighing 3 kg, he was born with a broad face, and the delivery was slightly painful for the mother.
2. **Komal Dongare** gave birth to her first child, a baby girl, on January 1 through a C-section at Sion Hospital. The baby weighed 2.5 kg, marking a joyful start to the new year for the family.
3. **Kalyani Hotkar** delivered her first child, a baby boy, on January 7 through a normal delivery at a private hospital. The newborn weighed 3.80 kg, bringing immense happiness to the family.

### Grocery Kit containing essential items:

## Empowering Preschool Education

At Navjeevan Co. Opp. Soc. Anganwadi No. 61, Ghatkopar West, Bhavyata Foundation hosted a vibrant **Makar Sankranti celebration**. Children learned about the festival's story, enjoyed lively dances, games, and laughter. Delicious laddus and goodies were distributed, adding to the festive spirit. This event beautifully blended cultural learning with fun, nurturing growth in a joyful environment. The celebration not only introduced the children to traditional customs but also encouraged them to actively participate in the festivities. As part of the **Smart Anganwadis initiative**, the event fostered interactive and experiential learning, enriching children's understanding of culture while enhancing their overall development.

## Empowering Preschool Education

At **Hind Maratha Anganwadi No. 14, Bhatwadi, Ghatkopar West**, a heartwarming and educational event was held, where the children were introduced to essential homely skills. They were **taught the art of sorting vegetables—learning how to identify** the best quality produce and distinguish between fresh and less-than-perfect items. This practical and fun activity not only sparked their curiosity but also gave them a taste of everyday life skills. The day was filled with laughter, games, and immense joy, creating a playful yet educational environment for the little ones. This **initiative is part of the Smart Anganwadis program**, promoting interactive and skill-based learning for holistic child development.

# LESSONS FOR LIFE

## Preschool Education at Balwadi and Mumbai Public schools

Our **Pre-Primary** teachers introduce key concepts by introducing innovative methods like **physical activities**, group discussions, and **Cultural Days**. These approaches enhance gross motor skills and create an engaging, inclusive learning environment for young children.

### OUR GOAL

We are committed to **nurturing healthy**, empowered childhoods for the most vulnerable and **underprivileged children**, providing them with the **support, care**, and **opportunities** they need to thrive and succeed

### OVERALL DEVELOPMENT

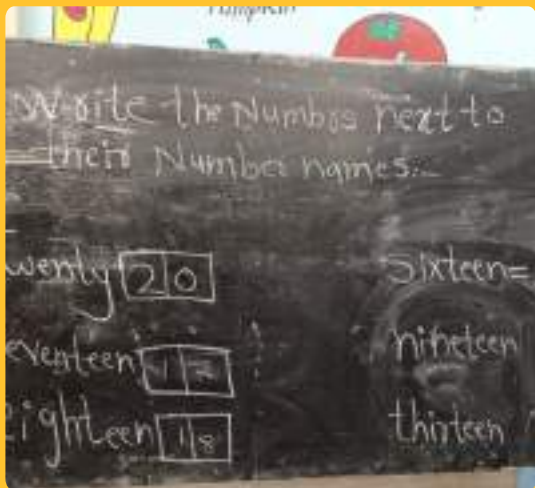

We focus on children's **holistic development** through diverse activities like rhymes, play, group tasks, and interactive games, fostering their **social, cognitive**, and **emotional** growth in a fun, engaging environment.

# LESSONS FOR LIFE

## Preschool Education at Balwadi and Mumbai Public schools

### Maths

Early childhood education in schools emphasizes numeral literacy, laying the foundation for mathematical understanding and proficiency in young learners.

### Language

Early childhood education in schools aligns with NEP 2020 by incorporating local languages and fostering cultural preservation and linguistic diversity.

### Critical Thinking

Early childhood education focuses on developing critical thinking and cognitive skills, nurturing well-rounded children who can think independently and analytically, laying a strong foundation for their future learning and growth.

### Festivals

In January, our students celebrated Makar Sankranti and Republic Day. Bhavyata Foundation provided Til laddoos and worksheets, enriching their cultural learning while fostering joy, patriotism, and a meaningful festive experience.

# LESSONS FOR LIFE

## Preschool Education at Balwadi and Mumbai Public schools

In **January 25**, our **students across 20 preschools** engaged in a variety of creative and skill-enhancing activities. **They solved worksheets, created boats with craft paper, folded and colored trees, and explored gross motor skills** through jumping in circles, ball throwing, and **playing basketball**. Fine motor skills were enhanced with **clay shape-making**. The children also **learned about body parts** and **practiced vegetable sorting**, reinforcing both their **cognitive and sensory development**. The day was further enriched by **celebrating Republic Day and Makar Sankranti**. The children participated in patriotic activities and made kites, fostering a sense of national pride and cultural appreciation. ### Makar Sankrant

In January, our students across 20 Preschools enthusiastically celebrated Makar Sankranti, a festival symbolizing joy and prosperity. Bhavyata Foundation added to their festive spirit by providing delicious Til laddoos, emphasizing the significance of tradition and togetherness. The students also made colorful kites using newspapers and craft papers, adding a creative touch to the celebration. This hands-on activity not only enhanced their artistic skills but also deepened their understanding of the cultural values associated with the festival. The celebration helped foster a sense of gratitude and appreciation for India's rich heritage, promoting unity and joy among the students.

### Republic Day

**Bhavyata Foundation celebrated Republic Day** with great pride and excitement across our **20 preschools**. The children joyfully **crafted Indian flags**, showcasing their creativity and love for the nation. Teachers **decorated the classrooms with patriotic symbols**, filling the space with vibrant colours and a sense of national pride. The celebration was a memorable one, full of energy and respect for the spirit of India's Republic Day.

# SCHOOL OF SUSTENANCE

## SHRIVAN WADI PROJECT

### Progress of 6 Shrivan Wadis at Wada, Palghar, Maharashtra

In **January**, the **Shrivan Wadi project** made significant strides, with the irrigation process ensuring optimal **water supply to the crops**. The plants are growing healthily, showing promising results for the upcoming harvest. Grass cutting has commenced, marking an essential stage in crop maintenance to enhance quality and yield. **Fertilizers are being provided systematically to boost soil fertility** and plant growth. **Mogra buds have started to appear**, signaling positive floral development.

**Bhavyata Foundation has provided 400 saplings to each farmer** involved in the project, reinforcing their agricultural efforts and promoting environmental sustainability. Though some **plants have dried due to insufficient water and intense heat**, the project team remains dedicated. Together, they work towards a successful and sustainable outcome, ensuring long-term growth and benefits for the farmers and their families.
