IN SUMMARY

In June, Bhavyata Foundation supported to feed for livestock in Igatpuri during the extreme summer, fulfilling our commitment to community welfare. Our "Adopt an Anganwadi" projects in Ghatkopar West is completed, creating a learning-enabled environment for underprivileged children. Concurrently, The Foundation continues to impact rural Maharashtra(Palghar District) and urban Mumbai communities in early childhood education, impacting more than **268 children** every year through adopted Anganwadis. Furthermore, the foundation actively provides access to quality education for **1583 underprivileged** preschool children in BMC schools in Mumbai.

Breed Preservation

In alignment with the sustainability principle, our goal is to guide villages toward economic self-sufficiency through agriculture & cottage industry, providing training in organic farming, breed preservation & the principles of good governance. Bhavyata Foundation is dedicated to reinforcing breed preservation for the betterment of India's dairy industry.

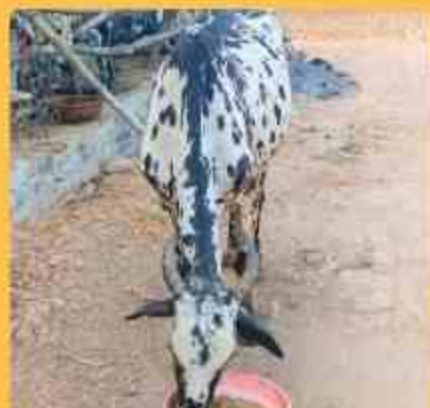

DANGI BREEDS SURVIVAL

SAMVARDHAN, through its 'Sowing the Seeds' initiative, aids gopalaks in preserving indigenous breeds amid challenges posed by limited grazing pastures and inadequate feed resources.

FEED DISTRIBUTION

Amidst the scorching summer heat and scarce resources, we've stepped in to support cows in need by distributing 0.8 tons of dry nutritional fodder.

GOPALAKS SUPPORTED

8 Gopalaks and 280 bovines benefitted, resulting in increased milk production after consuming nutritional feed. The Gopalaks then process the milk into condensed form sold in the marketplace, providing livelihoods.

Project MAA (MATA AROGYA ABHIYAN)

LESSONS FOR LIFE

Preschool Education at Balwadi and Mumbai Public schools

Our **Pre-Primary teachers** use innovative methods like **physical activities**, **group discussions**, and **Cultural Days** to introduce key concepts. These approaches enhance **gross motor skills** and create an engaging, inclusive learning environment for young children.

OUR GOAL

We are dedicated to nurturing healthy and empowering childhood to the neediest and unprivileged children.

OVERALL DEVELOPMENT

We aim for the overall development of children through various activities, such as rhymes, play, group activities, and interactive games.

Maths

Early childhood education in schools focuses on numeral literacy, building a strong foundation for young learners' mathematical understanding, ensuring future proficiency in math concepts and skills

Language

Early childhood education in schools aligns with NEP 2020 by integrating local languages, promoting cultural preservation, and fostering linguistic diversity, enriching young learners' connection to their heritage.

Critical Thinking

Early childhood education emphasizes critical thinking and cognitive skill development, nurturing well-rounded children who are capable of independent, analytical thought processes, laying the groundwork for future academic and life success.

Festivals

Celebrating Guru Purnima in preschool honors our teachers, the guiding lights who nurture, inspire, and shape young minds, fostering a love for learning and guiding children on their growth journey.

LESSONS FOR LIFE

Preschool Education at Balwadi and Mumbai Public schools

In July, Bhavyata Foundation's balwadi teachers conducted interactive sessions with students, incorporating rhymes, toys, and circle time activities. These engaging methods helped foster a **positive learning** environment, encouraging active participation from the children. By utilizing **play-based** learning, the teachers enhanced the students' social, cognitive, and motor skills effectively.

Guru Purnima Celebration: Mumbai Public School celebrated **Guru Purnima** with great enthusiasm and respect. The students honored their teachers by presenting **handmade cards** and **performing** cultural activities. Teachers shared inspiring stories and the significance of Guru Purnima, emphasizing the importance of teachers in shaping students' lives.

(गुरुपूर्णिमा)

Hand wash activity

Bhavyata Foundation organized a **hand-washing** activity for students to promote **hygiene and health**—the activity aimed to teach the correct hand-washing techniques to prevent the spread of germs. Students participated actively, learning the importance of regular hand washing to stay healthy and safe.

LESSONS FOR LIFE

Preschool Education at Balwadi and Mumbai Public schools

Bhavyata Foundation provided **toys, learning aids, workbooks, a first aid kit, and hygiene accessories** to schools. These helped develop skills, supported safe practices, and promoted hygiene, enabling teachers to create an engaging and secure learning environment.
