IN SUMMARY

In Sept, Bhavyata Foundation supported to feed for livestock in Igatpuri during the extreme summer, fulfilling our commitment to community welfare. Our "Adopt an Anganwadi" projects in Ghatkopar West is completed, creating a learning-enabled environment for underprivileged children. Concurrently, The Foundation continues to impact rural Maharashtra(Palghar District) and urban Mumbai communities in early childhood education, impacting more than 268 children annually through adopted Anganwadis. Furthermore, the foundation provides access to quality education for 1583 underprivileged preschool children in BMC schools in Mumbai.

Breed Preservation

In alignment with the **sustainability principle**, our **goal** is to **guide villages** toward **economic self-sufficiency** through **agriculture & cottage industry**, providing training in **organic farming, breed preservation** & the principles of good governance. **Bhavyata Foundation** is dedicated to reinforcing breed preservation for the betterment of India's dairy industry.

DANGI BREEDS SURVIVAL

SAMVARDHAN, through its 'Sowing the Seeds' initiative, aids gopalaks in preserving indigenous breeds amid challenges posed by limited grazing pastures and inadequate feed resources.

FEED DISTRIBUTION

Amidst the scorching summer heat and scarce resources, we've stepped in to support cows in need by distributing 0.8 tons of dry nutritional fodder.

GOPALAKS SUPPORTED

10 Gopalaks and 260 bovines benefitted, resulting in increased milk production after consuming nutritional feed. The Gopalaks then process the milk into condensed form sold in the marketplace, providing livelihoods.

Guests Birthday celebration in Anganwadi

On **5th September 2024**, college student **Vaibhav Yadav** celebrated his birthday with **Anganwadi kids**, making the occasion a memorable and heartwarming experience for all. He generously distributed gifts, including cookies, crayons, and chocolates, bringing joy and excitement to the children. In return, the young students expressed their gratitude by performing rhymes and songs for him, creating a lively and cheerful atmosphere. Vaibhav's thoughtful gesture not only made his birthday special but also brightened the day for the Anganwadi kids. His kindness and connection with the children made this celebration truly meaningful and unforgettable.

ADOPT ANGANWADI Empowering Preschool Education

Poshan Abhiyaan is a flagship scheme launched by the Government of India on 8th March 2018 to improve nutritional outcomes for children, adolescent girls, pregnant women, and lactating mothers. It focuses on creating a convergent eco-system to promote health, wellness, and immunity through the development of better nutritional practices.

Poshan Aahar session at Kamraj Nagar Anganwadi

A "Poshan Aahar" session was recently conducted at the Kamraj Nagar, Mauli Krupa, Jay Santoshi Maata, Sahyaddri and Navjeevan Co.op soc Anganwadi to promote awareness about nutrition and healthy eating practices among mothers and children. The session focused on the importance of a balanced diet, emphasizing the consumption of essential nutrients like proteins, vitamins, and minerals to ensure proper child development.

SHRIVAN WADI PROJECT

6 Shrivan wadi Progress report

Farmers: Manik Mhasara, Jagan Mhasara, Manoj Kadu Phuphane, Balu Ghatal, and Devram Watas

1. Kesar Mango Plantations: All three farmers’ Kesar Mango saplings are experiencing steady growth, demonstrating strong root development. This progress is supported by the application of organic manure and regular irrigation, contributing positively to their overall health.

2. Jasmine Plantations: Jasmine growth among the farmers is thriving, with new shoots and early flowering observed in the effectively implementing plantations. The farmers are managing any minor infestations, ensuring healthy and vibrant plants.

3. Cashew Plantations: The cashew saplings across all farms show moderate improvement. Despite facing temporary challenges due to heavy rains, the farmers have implemented enhanced drainage systems and regular soil management practices, allowing the saplings to recover and continue growing healthily.

Conclusion:

The combined efforts of farmers Kamlakar Phuphane, Balu Ghatal, and Devram Wata in managing their plantations through organic practices and improved infrastructure have resulted in overall healthy growth for Kesar Mango, Jasmine, and Cashew saplings. The Shrivan Wadi project is making significant strides toward sustainable agricultural practices and improved livelihoods for these farmers.

INTERNS FAIR

On September 23, 2024, Somaiya College organized an **Interns Fair** that attracted a diverse group of interns from various categories. The event provided a platform for interns to showcase their skills, projects, and experiences to potential employers and industry professionals.

Interns from fields such as **Digital Marketing, Project Management, Writing, Graphic Designing**, and more participated, engaging with attendees through presentations and interactive booths. This event facilitated networking opportunities, allowing interns to **connect** with **organizations** looking for fresh talent and giving them insight into industry expectations.

Workshops and **panel discussions** were also held, featuring guest speakers sharing valuable advice on career development and the importance of internships in gaining real-world experience. The fair concluded with a networking session where interns could build connections that may lead to future job opportunities. Overall, it was a successful event that highlighted the talents and aspirations of the intern community at **Somaiya College**.
