At A Glance

On June 25, Bhavyata Foundation extended its support to livestock feeding in Igatpuri during the summer season, reinforcing our commitment to community welfare. Our "Adopt an Anganwadi" project in Ghatkopar West has been successfully completed, creating a nurturing, learning-enabled environment for underprivileged children.

Simultaneously, we continue to create meaningful impact in rural Maharashtra (Palghar District) and urban Mumbai by strengthening early childhood education. Through our adopted Anganwadis, we reach over 300 children annually. Additionally, the Foundation ensures access to quality preschool education for 1,583 underprivileged children across BMC schools in Mumbai.

Our ongoing environmental initiative, Project Vidyavan, in Kalina has led to the plantation of over 5,000 native trees, supporting ecological restoration. We are also proud to witness growing participation from interns across diverse academic fields, who are contributing actively to our grassroots initiatives.

Bovines

Samvardhan is an initiative focused on the preservation and promotion of indigenous bovine breeds, suited to specific agroclimatic zones, to ensure the sustainability of local agriculture and dairy-based livelihoods.

DANGI BREEDS SURVIVAL

SAMVARDHAN, through its 'Sowing the Seeds' initiative, aids gopalaks in preserving indigenous breeds amid challenges posed by limited grazing pastures and inadequate feed resources.

FEED DISTRIBUTION

Amidst the scorching summer heat and scarce resources, we've stepped in to support cows in need by distributing 0.8 tons of dry nutritional fodder.

GOPALAKS SUPPORTED

10 Gopalaks and 260 bovines benefitted, resulting in increased milk production after consuming nutritional feed. The Gopalaks then process the milk into condensed form sold in the marketplace, providing livelihoods.

MAA - Mata Arogya Abhiyaan

Kamraj Nagar, Ghatkopar, Mumbai

Project Mata Arogya Abhiyan (MAA) is a key initiative by Bhavyata Foundation to support the health and well-being of pregnant women in India. It provides essential care, education, and nutrition to ensure safe pregnancies and healthy births.

Garbh Sanskar counselling session focusing on pregnancy meditation to ensure calmness, mental wellness, and a nurturing environment for the unborn child.

In June 2025, Bhavyata Foundation conducted a maternal health session at Kamraj Nagar, featuring Garbh Sanskar insights, yoga, meditation, and grocery distribution to support pregnant women's health and well-being.

10 Expectant Mothers

Distributed grocery kits containing essential items:

- | | |
|-----------------------|------------------------|
| 1. 1KG Wheat Flour | 5. 200gm Badam |
| 2. 1KG Jaggery | 6. 250gm Roasted Chana |
| 3. 250gm Moong Dal | 7. Lal Chana |
| 4. 200gm Black raisin | |

Gracious Thanks to Kirti Jangra, Sunil Thakur, Arun AK, Chaitali Chaubal

Shrivan Wadi Project

 **Location: Wada taluk, Palghar**

School of Sustenance is one of the six initiatives of the Bhavyata Foundation to promote and propagate the principles of wellness, sustainability and empowering livelihoods. Our Shrivan Wadi project aims to establish four orchards in Wada Taluk of Palghar District, transforming the lives of tribal families who rely on seasonal farming and daily wage labour.

Farmer Profile: Manik Mhasara

Manik Mhasara, a dedicated tribal farmer from Wada, supports his family of five on a minimal income by farming Ragi and rice during monsoon and taking up labor work post-harvest, ensuring his children's education.

Progress for June 25

With generous support from Mr. Pratik Zalavadia, Manik Mhasara's 6-month plantation in Shrivan Wadi showed encouraging progress in June. Jasmine plants are flowering well, while Mango and Cashew saplings are growing steadily. Timely irrigation, regular care, and effective pest management have helped maintain healthy plant development, which is expected to result in a productive yield in the future.

Zalavadia**

Shrivan Wadi Project

 **Location: Wada taluk, Palghar**

School of Sustenance is one of the six initiatives of the Bhavyata Foundation to promote and propagate the principles of wellness, sustainability and empowering livelihoods. Our Shrivan Wadi project aims to establish four orchards in Wada Taluk of Palghar District, transforming the lives of tribal families who rely on seasonal farming and daily wage labour.

Farmers profile: Jagan Mhasara

Jagan Mhasara, a resilient tribal farmer from Wada, supports a family of 11 on ₹15,000–30,000 annually, prioritizing his children's education and well-being with unwavering determination despite severe financial challenges and limited resources.

Progress for June 25

With the support of Dr. Premjeet Madhukar, Jagan Mhasara's plantation in Shrivan Wadi continues to progress well. Jasmine plants are blooming beautifully, while Mango and Cashew saplings show steady growth. Proper irrigation, timely care, and pest control have ensured healthy development, indicating a strong potential for a productive yield.

School of Sustenance is one of the six initiatives of the Bhavyata Foundation to promote and propagate the principles of wellness, sustainability and empowering livelihoods. Our Shrivan Wadi project aims to establish four orchards in Wada Taluk of Palghar District, transforming the lives of tribal families who rely on seasonal farming and daily wage labour.

Farmers Profile: Manoj Kadu

Manoj Kadu, a dedicated tribal farmer from Wada, supports his family of seven on ₹15,000–30,000 annually, cultivating Ragi and rice during monsoon and working as a laborer afterward, while ensuring his four children attend school.

Progress for June 25

Manoj Kadu's farm in Shrivan Wadi has shown encouraging progress in June, supported by Ms. Namrata Zumani. Jasmine plants are blooming, reflecting healthy growth, while Mango and Cashew saplings are developing steadily. With timely irrigation, pest control, and dedicated care, the plantation is on track for a sustainable and fruitful harvest.

Shrivan Wadi Project

 **Location: Wada taluk, Palghar**

School of Sustenance is one of the six initiatives of the Bhavyata Foundation to promote and propagate the principles of wellness, sustainability and empowering livelihoods. Our Shrivan Wadi project aims to establish four orchards in Wada Taluk of Palghar District, transforming the lives of tribal families who rely on seasonal farming and daily wage labour.

Farmers Profile: Balu Ghatal

Balu Ghatal, a farmer from Wada, sustains his family of six by cultivating 2.5 acres and working construction jobs off-season, earning modestly while ensuring his children's education and balancing farming with additional labor work.

Progress for June 25

With the support of Vashi Parivar Foundation, Balu Ghatal's plantation in Shrivan Wadi is showing steady growth. Jasmine plants have started blooming well, while Mango and Cashew saplings are progressing consistently. Regular care, irrigation, and pest management continue to support healthy development, indicating a promising and productive yield ahead.

Our Shrivan Wadi project aims to establish four orchards in Wada Taluk of Palghar District, transforming the lives of tribal families who rely on seasonal farming and daily wage labour.

Farmers profile: Devram Watas

Devram Watas, a farmer from Wada, supports his family of four by cultivating crops on 5.5 acres and working construction jobs off-season, earning modestly while ensuring his children's education and meeting household needs despite hardships.

Progress for June 25

Supported by Vashi Parivar, Devram Watas's plantation in Shrivan Wadi is progressing well. Jasmine plants have started flowering, showing healthy growth. Mango and Cashew saplings are developing steadily. With regular irrigation, timely care, and pest control measures, the farm is on track for sustainable cultivation and a promising future yield.

Internship Program

Our interns from esteemed institutions such as NMIMS, UPES Dehradun, and others specializing in Design and Data Science are contributing significantly to our initiatives. They are actively involved in developing creative learning aids, worksheets, and workbooks, along with designing brochures, dispatch layouts, and our Annual Report. Their skills and dedication are adding great value to our educational and outreach efforts.

Membership

Bhavyata Foundation Membership program is aimed at creating society participation in the upliftment of communities in need. In doing so, they also receive utilities as giftings in return for their kindness.
