BHAVYATA FOUNDATION

Nov 2020

PARIVARTAN

DEVELOPMENT DISPATCH

Monthly Round Up

Greetings From Bhavyata Foundation!

In the following pages, we present the Monthly Dispatch of November 2020. As we look back on the year of 2020, it amazes us to see your patience and patience. Bhavyata Foundation successfully distributed 1000 kgs of feed for the Dangi breed cows of Murbad district, Thane. We conducted the last on-line webinar- Let's Defeat Breast Cancer, in continuation of the Pink month of October. Donation appeal for Malnutrition in Palghar and more than 100 kits distributed in Gadchiroli, under the initiative of Hunger Free Nation.

Moving Forward....Away From the Pandemic, Towards Prosperity!

During the auspicious festival of Diwali, our team at Bhavyata Foundation visited Vakalwadi village of Murbad on Sunday, 15th November 2020. One of the reasons for this visit was the post-celebration of Vasubaras occasion. We were warmly welcomed with open arms by Kantaramji and his family. We had arranged a meeting for all other Go-palaks of Vakalwadi village to make them aware of our initiative - 'Sowing the seeds' and for distributing the cow feed to them.

With Diwali round the corner, Shri Baburaoji Kohale helped to bring smiles on the faces of the people living in utter poverty. We believe that by extending a helping hand to the needy always uplifts them and brings happiness in their life and ours too. By helping one person at a time, we can change a whole society. Mr Kohale held this campaign on 12th November 2020, in Gadchiroli district where they distributed grocery kits to the low-income families.

PROJECT UPDATES

Samvardhan project helps preserve the Indian Indigenous Dangi breed cows-

Bhavyata foundation provided 1000 kgs of feed and built a pipeline for water supply for the cows & green fodder

We have explained the importance of cow feed to the go-palaks. It will surely improve the yield from the cows and make them healthy. There are a total of 200 cows in the region out of which Bhavyata foundation is providing feed to 68 cows. Vakalwadi is a village that consists of 60 houses/families out of which we have helped ten families to enhance the standard of living of the low-income families of that region.

Bhavyata Foundation distributed 1000 kgs of cow feed for 68 cows in Vakalwadi village.

BHAVYATA FOUNDATION

ATMA NIRBHAR BHARAT

Our generation will be the significant players to achieve the dream of a Self-Dependent Bharat, with a 5 trillion dollar economy. Anna Nirbhar Shishu Jan is the foundation for the Atma Nirbhar Bharat. This Festive season, Save 1 Child's life. Donate Rs. 9,000 for a 90-day course of millet-based finger food recipe that will nourish the children out of the grim state of malnutrition.

EVENT UPDATES

1. LET'S DEFEAT BREAST CANCER – LIVE WEBINAR

Bhavyata Foundation organised a webinar on Defeating Breast Cancer through Zoom meetings on 3rd November 2020, which was live from 5 pm to 6 pm. Dr Sonali Maniar, the speaker of this session, explained the causes, symptoms and effects of Breast Cancer. This event aimed at spreading awareness about Breast Cancer among women, as much as possible.

2. Donation Campaign to raise funds for malnourished children in Palghar

800 infants dead in Maharashtra's Palghar in 2017-2019:
Malnutrition kills twice as Corona infection!

What's the Solution?

The project Samadhan has been initiated by Bhavyata Foundation, to help alleviate underprivileged populace who are suffering from hunger and malnutrition. This project assists 200 disadvantaged children from Palghar to gain daily nutritional access.

3. Diwali Celebrations with Balwadi Teachers

The motive of this get-together cum reunion was to interact with the teachers, let the teachers of all the wards come to know about each other, understand their different teaching patterns of teachers located in respective wards, to guide them to follow a proper academic teaching pattern, to give Diwali wishes to all the teachers.

4. Samvardhan- Distribution of Cow Feed & Water

There are a total of 200 cows in the region out of which Bhavyata foundation is providing feed to 68 cows. Vakalwadi is a village that consists of 60 houses/families out of which we have helped ten families to enhance the standard of living of the low-income families of that region.

5. Gadchiroli Food Kit Distribution

Mr Kohale held this campaign on 12th November 2020, in Gadchiroli district where they distributed grocery kits to the low-income families. The grocery kits consisted of five items, including rice, sugar, oil, sweets, lugde and sarees as well.

The initiative has received a tremendous response from the across sections of the society and in unique ways. A family of two children motivated by our Hunger-Free Nation initiative helped us in raising funds for monthly grocery supplies for affected populations. The charity Rock n Pop concert involving his two children, Mallika and Kanishk, played some cover versions of their favourite music through his YouTube channel received a lot of response.

Dharavi, Asia's biggest slum, is spread over 2.1 square km, housing 7 lakh people in small shanties stacked next to each other. Many distraught families were languishing in need of help due to the massive economic downturn.

Mission Compassion: Covid-19 Food Relief in Challenging Times

Under its initiative Hunger Free Nation, Bhavyata Foundation rescued 50,150 Migrant workers, Slum Dwellers and Rural populace in its largest rescue mission with advent of Corona Pandemic

190.7 million people in India are undernourished, 25 per cent of the children experience hunger pangs. Covid-19 pandemic and lockdown has led to children being further deprived of nutrition support. 121 million more people could be "pushed to the brink of starvation this year" as a result of disruption to food production and supplies, diminishing aid as well as mass unemployment. Bhavyata Foundation's food security and nutritional support, along with awareness on hygiene and social distancing will help save lives from Covid-19 infection and Hunger as well. Bhavyata Foundation is committed

to supporting vulnerable population, the initiative significantly impacted the lives of daily wage workers, those with informal jobs, maids, street vendors and all rural & urban poor. It has till now created an everlasting impact in the mega city of Mumbai across six other zones (Thane, Palghar, Meerut, Delhi, Gadchiroli and Aurangabad) in the country. It impacted the lives of 10,030 families (around 50,150 needy people till date), in two months through the distribution of grocery kits, each containing the monthly essentials. Bhavyata Foundation remains thankful to all the supporters and well-wishers.

Described best by Founder of Bhavyata Foundation, Mr Kulin Maniar, the way to offset the crisis of hunger and poverty issue in any part of the world comes with community participation.

A couple with a blind husband, both above 60 years of age, was struggling to pay for rent and food. They used to segregate plastics in Kaabaadkhana. The wife, Indira Hari Rawat, hailed from Dharavi and to tighten the loose ends even on the brightest days of the Indian economy was tough. With a heavy heart, she said to one of our volunteers, Neelam: "I fear that hunger may kill many like us before coronavirus." It is the reality of now! We need help from all of you to save millions of them. Some may be in your locality, and you may not even know.

During the Covid-19 lockdown, the Hunger Free Nation initiative, till now created an everlasting impact in the mega city of Mumbai and across six other zones (Thane, Palghar, Meerut, Delhi, Gadchiroli and Aurangabad) in the country. It impacted the lives of 10,030 families (around 50,150 needy people till date), in two months through the distribution of grocery kits, each containing the monthly essentials.

WHAT HAPPENED IN NOV?

Constitution Day is celebrated as National Law Day (or Samvidhan Diwas) in India and is observed on 26th November every year to commemorate the adoption of the Constitution of India. On 26th November 1949, the Constituent Assembly formally adopted the Constitution of India. It came into force on 26th January 1950 that is observed as Republic Day

Dr. B.R. Ambedkar- Father of Indian Constitution & the Chairman of the Drafting Committee of Constituent Assembly.

26th November- This is a day to express gratitude to the makers of our Constitution and to reiterate our commitment to building the India of their dreams.
- PM Modi

NEARLY 70 YEARS AFTER IT FIRST CAME INTO EFFECT, THE CONSTITUTION OF INDIA—WHICH IS A 146,385-WORD TOME—HAS OUTLIVED MOST PEERS

“One must abandon the methods of civil disobedience, non-cooperation & satyagraha ” - Dr B.R Ambedkar

FACTS RELATED TO DRAFTING OF CONSTITUTION

- ✓ The two-month period between the adoption and enforcement of the Constitution was used for a thorough reading and translation from English to Hindi.
- ✓ The Constituent Assembly met for 166 days spread over two years, 11 months and 18 days before the Constitution was adopted.
- ✓ Despite its length, India's Constitution is not the most comprehensive in the world.
- ✓ All Constitutions establish the principles and framework for governance—but they can vary in depth and breadth.
- ✓ Almost all Constitutions, for instance, mention the military or armed forces, but fewer Constitutions refer to

TIPS FOR SUSTAINABLE CELEBRATIONS

While we pray for peace and prosperity, we should also keep our own and our community's health in mind, along with the health of our planet.

A PLASTIC-FREE FESTIVAL

Leaves, flowers, lanterns and even bamboo can substitute plastic made decorations. At Bhavyata Foundation, we offer lamps and torans made with bamboo which not only adds beauty to the decoration but also are suitable for the environment.

A BIG "NO" TO CRACKERS

Heavy use of firecrackers, which release toxic pollutants like sulphur dioxide, carbon monoxide and many others are especially harmful, not only for our environment but for our animals, our children and the older generation as well. Instead of firecrackers, use diyas made of clay, fairy lights, lanterns and candles.

HOLI AND THE REJECTION OF SYNTHETIC COLOURS

Synthetic colours contain harmful chemicals like lead oxide, copper sulphate, aluminium bromide and mercury sulphite etc. Use natural Holi colours which are made with ingredients like turmeric (yellow), plant leaves (green), annatto (orange) and black carrots (pink).

A SUSTAINABLE RAKSHABANDHAN

Opting for a sustainable Raksha Bandhan by making organic, vegan, natural, sustainable, recycled, handmade, cruelty-free and bio-degradable rakhis is easy. We can make sustainable rakhis with bamboos, papers, seeds, pieces of cotton cloths etc.

- ✓ A plastic-free Festival – bamboo, flowers & leaves
- ✓ A big 'No' to Crackers
- ✓ A Sustainable Rakshabandhan- Bamboo Rakhis
- ✓ Reject the synthetic colours in Holi

IMPACT

SOWING THE SEEDS

Project Samvardhan

1

Distribution of Cow Feed in Vakalwadi
1000 kgs

SCHOOL OF SUSTENANCE

CAMPAIGN PROMOTIONS

*SAMAADHAAN – a movement under our
HUNGER FREE NATION initiative to fight*

A three-course diet comprising a combination of measured nutrition, local and appealing in taste costs around Rs.100 per day per child. The Overall Support for 1 Malnourished Child shall be Rs. 9000 for 3 Months(90 days). We shall need 200 donors to achieve this milestone to its logical conclusion. Harping upon its previous experience over last three years in dealing with Child Nourishment and Fighting Hunger, we wish to take up this challenge collectively with the support of well-wishers like yourself to take up this uphill task to achieving a meaningful turnaround for Humanity.
