MAA - Mata Arogya Abhiyan

Women who are malnourished at conception are unlikely to improve their nutritional status during pregnancy when their needs increase. It all comes down to the expecting mother's mental health and physical, emotional, and spiritual well being. Under MAA Program, we provide a nutritional diet as well as counseling & medical support for healthy and happy motherhood for expectant women.

Donate Toys For 21 Preschools

Toys, games, and books help children learn alphabets and numbers. Puzzles, card games, and riddles help children develop their brains. Currently, all schools have very few or no toys to aid their learning experience. Let's bridge the disparity by making your contribution to help these 1200 Children at BMC Mumbai Preschools, where they receive free education. Each class gets 20 sets of toys so that all 40 students can make use of them simultaneously in free play time. Make your donation now.
